

# Lonely

Ian Thompson

I feel so lonely but I'm free  
does anybody feel just like me  
I feel so lonely but I'm free  
so why do I feel my life ain't real

Everybody's having fun  
Everybody's with someone  
Everybody's doing things

But here am I too proud to cry made up am I  
of too many fears and lies  
Too many lows and highs

Too many years gone by trying to figure out why I'm so lonely  
But I'm free

does anybody feel just like me  
I feel so lonely but I'm free  
so why do I feel my life ain't real

Everybody's having fun  
Everybody's with someone  
Everybody's doing things

But here am I too proud to cry made up am I  
of too many fears and lies  
Too many lows and highs

Too many years gone by trying to figure out why I'm so lonely

I feel so lonely...I feel so lonely... It's been a long time and all I can see...(such a long time coming to me)... is  
maybe it's not so good to be free..
