American (feat. Alan Cumming)

Lance Horne

Just another Tuesday, donâ€™t know who ran â€¨
Some bill passed, I am a Patriots fan.â€¨
I take to the skies, I take to the lies â€¨
I take to the fries, all for freedom.
â€¨I give to the church, I give to the state
â€¨I give with the weight, all for freedom.
â€¨
I talk on the net, I see black-and-white â€¨
I dress to the left, I vote to the rightâ€¨
I buy by the pound, I shave wet and dry
Iâ€™m contractually bound to consume item buy.â€¨
Iâ€™m quick on the draw, and numb to the touchâ€¨
Canâ€™t think anymore cause it hurts too much â€¨
Donâ€™t look too close because youâ€™re likely to find â€¨
That I donâ€™t mind, that I donâ€™t mind.â€¨
Iâ€™m American.â€¨

I make a mess, I make a scene
â€¨I may confess, but only if itâ€™s on TV.â€¨
I spent my youth, I spent my dough â€¨
Iâ€™ll spend the night but not a second more.â€¨

My second mortgage is a lot, Iâ€™m frightened by my trash
â€¨I pray to the gods will take my cash.
â€¨I creep through the lights, I write off my cars â€¨
I mess around with crystal and tryst till I see stars.
â€¨I black out a little from white little pills â€¨
My gray matter doesnâ€™t, I read that it kills
â€¨I blew off my finals for greener climbs â€¨
I yell enough to case the joint for violent crimesâ€¨
I hate to listen! I hate the other way!â€¨
I hate who they tell me to, but who the hell are they!? â€¨
I support the research of DNA if it keeps my future child from being gay
â€¨I hate to sound inclusive but I love to sayâ€¨
Iâ€™m American.
â€¨Just like you!
â€¨Iâ€™m American.â€¨

I get the truth, I get the foe

â€¨I get to fight, but I forget what for.â€¨
So Iâ€™ll fight the wear and tear of the unspecific terror
â€¨And die before I defeating the corporal unknownsâ€¨
And my corpse lies in a grave my corporation owns â€¨
But this land is my land, I can feel it in my bones.â€¨
Iâ€™m American.â€¨
Iâ€™m American!â€¨
Iâ€™m American!â€¨
Just another Tuesday, donâ€™t know who ran
â€¨If anybody asksâ€¦ I was a Patriots fan.
