

Nightmares on Repeat

[Emily Jane White](#)

The love that you gave, keeps me here
Calling out your name, keeps me here
For the light was not there, for years upon yearsMaybe
The way you walk will show just how to talk
Myself into being here
Draw close pull nearHolding your hand, keeps me here
All the
Ways you stand, keeps me here
For the light, was not there
For years, upon yearsMaybe the way you walk, will show me just how
Talk
Myself to sleep, nightmares on repeat
Your insight, beautiful
