# No Money

## Jacob Tillberg

Ooh, I got no money in my pocket,
but I'm happy so fuck it,
Yo I'm feeling so fine I'll be drinking more wine
Flyin' high like a rocket.
I got you,
you got me,
do you wanna join me my drink is free,
I got you,
you got me,
and we don't know where else to be.

Ooh, we've got no problems to worry 'bout now,
we got no others to bring us down.
Ooh, we've got no problems to worry 'bout now,
we got no others to bring us down.
