

Strangers

Lotus Plaza

Oh, when it's strange days
Sometimes there's no going back
Days when it seems
You're on your own, there's no one else
Distant as dreams
Strangers from another place
Circling around
To be left without a trace

Blurred sight, slurred sound
Walls closing all around
"What's wrong?" you said
I shrugged and shook my head

I know
I know
I know
Well, I know
I know
I know

But when it's strange days
Sometimes there's no going back
Days when it seems
You're on your own, there's no one else
Slow as you'd turn
When you'd promise where you'd be
Familiar time
Now as an eternity

Walked in and found
Me staring at the ground
"What's wrong?" you said
I shrugged and shook my head

I know
I know
I know
Well, I know
I know

I know

I can wait
Wait for a while
As strangers smile

I can wait
Wait for a while
As strangers smile

I can wait
Wait for a while
As strangers smile

I can wait
Wait for a while
As strangers smile
