

Only You (And You Alone)

Lonestar

(Buck Ram/Ande Rand) Only you can make this world seem right

Only you can make the darkness bright

Only you and you alone

Can thrill me like you do

And fill my heart with love for only you Only you can make this change in me

For it's true, you are my destiny

When you hold my hand

I understand the magic that you do You're my dream come true

My one and only you Only you can make this change in me

For it's true, you are my destiny

When you hold my hand

I understand the magic that you do You're my dream come true

My one and only you

You're my dream come true

My one and only you
