

# Hits and Misses

## Stiff Little Fingers

Advisory - the following lyrics contain explicit language:

Look at every man you meet  
It can be him on every street  
The woman's waiting for the next attack  
Bold black headlines made in dark  
Show how the man can make his mark  
The woman learned it from her dad  
How he can be like Jack the lad  
Hits and misses, I do you will  
Love and kisses, yours in hell  
Look at him in every face  
The woman see and takes her place  
He rips at her heart, till death them part  
Everywhere she see his power  
Sees how Michael Caine takes a shower  
See herself in houseproud adds  
Gatefold Miss World Page, Three Miss X  
Hits and misses, I do you will  
Love and kisses, yours in hell  
I'm not talking about a psycho-killer  
Sonny, it's not one of those  
It could be you, it could be me  
It's someone we all know  
See him walk down any street  
The woman fears and hears his feet  
If his team lost, then she get beat  
Neighbours shrug, go back to chatter  
Just a man who's on the batter  
Then he gets his legal way  
On just another Saturday  
Hits and misses, I do you will  
Love and kisses, yours in hell
