

Lock Me In Your Heart

Mandy Moore

Mandy, Mandy
The sound of your voice is sweet like candy
There was a time when I was all alone
Waiting for someone I could call my own
I closed my eyes and dreamt you up all day
My prince of charms would ride up and we'd fly away
Take me to a place
Where the magic between us becomes real
Take me all the way
Boy, I want you to lock me in your heart
And throw away the key
Show me love the way it's supposed to be
Lock me in your heart and never let me go
I must confess, you are the best
So baby, come take me
Take me, baby, take me away
Take me, baby, take me away
We'll dance together where no one can see
With you alone is where I wanna be
Uncharted territory we'll discover?
You'll always be my dream lover
Oh, take me to a place
Where the magic between us becomes real
Take me all the way
Boy, I want you to lock me in your heart
And throw away the key
Show me love the way it's supposed to be
Lock me in your heart and never let me go
I must confess, you are the best
So baby, come take me
Lock me in your heart
Oh baby, oh baby
Lock me in your heart
So baby, come take me
Take me to a place
Where the magic between us is so real
Take me all the way
Boy, I want you to lock me in your heart
And throw away the key

Show me love the way it's supposed to be
Lock me in your heart and never let me go
I must confess, you are the best
So baby, come take me
Lock me in your heart
And throw away the key
Show me love the way it's supposed to be
Lock me in your heart and never let me go
I must confess, you are the best
So baby, come take me
Take me, baby, take me away
Take me, baby, take me away
Take me, baby, take me away
Take me, baby, take me away
Take me, baby, take me away
