

# Get It On... Tonite

Montell Jordan

When I'm looking at you I keep thinkin'  
Why can't she be like you  
So I'm scheming  
I can't go through this believing that her love is true  
Standing on the dance floor while she's trickin'  
You are all I want girl she's a chicken  
We might be together but love is missing  
Girl I want you So what can we do? Girl if its all right  
Lets go somewhere and get it on tonight  
you shouldn't have to be alone tonight  
Its one on one tonight, tonight Now she's lookin' at me, but keep talkin'  
Oh, now she's tryin' to ice you, lets start walkin'  
Over on the dance floor, it's her fault  
But what can she do? Tell me baby Girl, If your ready  
I'm ready  
We can get it on  
We can get it on  
I know where I went wrong  
She's where you went wrong  
With you is where I belong Girl, if I could find the words to say  
I've gotta get away, from a love  
That kills me everyday, I'd gladly say to you Girl if its all right  
Lets go somewhere and get it on tonight  
you shouldn't have to be alone tonight  
Its one on one tonight, tonight
