Too Long Awake

Idlewild

Everything is always changing
and nothing stays in the same place
for too long
I've been too long awake
and everyone seems like they're slowly changing
no one stays in the same place for too long
I've been too long awakeTogether we're younger than you are
forever you're older than we are
together
if we had so much to dotogether we're younger than you are
forever you're older than we are
together
