HOLD ME DANCIN'Words and Music by Margo Guryan

Hold me

I could dance forever and ever

If you hold me dancin'Hold me

Come on and hold me

I could dance forever and ever

If you hold me dancin'I've been wanting you to hold me now for so many days

Can't remember when I wanted somebody more

I've been thinking of you lovin' me in so many waysWell, you could if you told me

You wanted to dance

And you wanted to touch meAnd hold me

Come on and hold me

I could dance forever and ever

If you hold me dancin'Touch me

Touch me

Put your arms around me, baby

And touch meTouch me and hold me

Come on and hold me

I could dance forever and ever

If you hold me dancin'Â© 1978 DARTMOOR MUSIC
