

# Resistance

## Muse

Is your secret safe tonight? And are we out of sight?  
Or will our world come tumbling down?  
Will they find our hiding place? Is this our last embrace?  
Or will the walls start caving in?  
It could be wrong, could be wrong  
But it should've been right  
It could be wrong, could be wrong  
Let our hearts ignite  
It could be wrong, could be wrong  
Are we digging a hole?  
It could be wrong, could be wrong  
This is out of control  
It could be wrong, could be wrong  
It could never last  
It could be wrong, could be wrong  
Must erase it fast  
It could be wrong, could be wrong  
But it could've have been right  
It could be wrong, could be  
Love is our resistance they'll keep us apart and they won't stop  
Breaking us down and hold me  
Our lips must always be sealed  
If we live our life in fear, I'll wait a thousand years  
Just to see you smile again  
Quell your prayers for love and peace, you'll wake the thought police  
We can hide the truth inside

It could be wrong, could be wrong  
But it should have been right  
It could be wrong, could be wrong  
To let our hearts ignite  
It could be wrong, could be wrong  
Are we digging a hole?  
It could be wrong, could be wrong  
This is out of control  
It could be wrong, could be wrong  
It could never last  
It could be wrong, could be wrong  
Must erase it fast

It could be wrong, could be wrong  
But it could've been right  
It could be wrong, could be  
Love is our resistance they'll keep us apart and they won't stop  
Breaking us down and hold me  
Our lips must always be sealed  
The night has reached its end  
We can't pretend  
We must run, we must run  
It's time to run  
Take us away from here  
Protect us from further harm
