

# So Far from Home

## Plankeye

Standing next to you  
What am I supposed to do?  
Time says feelings change  
But to me it's all the same Me it's all the same  
Me it's all the same  
Me it's all the same  
Me it's all the same I'm still here but I'm all alone  
I'm still near but so far from home  
I'm still here but I'm all alone  
I'm still near but so far from home  
So far from home Take me as I am  
Please won't you hold my hand?  
Feelings never change  
The consequence is the same Consequence is the same  
The consequence is the same  
Consequence is the same  
But it's not the same I'm still here but I'm all alone  
I'm still near but so far from home  
I'm still here but I'm all alone  
I'm still near but so far from home  
So far from home, oh  
Yeah I'm still here but I'm all alone  
I'm still near but so far from home  
I'm still here but I'm all alone  
I'm still near but so far from home  
So far from home
