Yeah Yeah Yeah Yeah

Travis

I was alone I found love
Now I got some
(Yeah, yeah, yeah, yeah)You came along right on time
With a new song
(Yeah, yeah, yeah, yeah)Now there's nothing in this life now
That could go wrongOh no
(Yeah, yeah, yeah, yeah)
Not me
(Yeah, you, you, you)How could
(Yeah, yeah, yeah, yeah)
You do?
(Do, do, do, do)
The more I see
The more I want of youI was afraid I would be sad and lonely
I was afraid you would not be my one and only
Well, I got so hung
Now I'm gonna stake my ponyOh no
(Yeah, yeah, yeah, yeah)
Not me
(Yeah, you, you, you)How do
(Yeah, yeah, yeah, yeah)
You do?
(Do, do, do, do)
The more I see
The more I want of youWas a world outside my window
Should I hide from it
Tired of it
But I know the sea of shadows running far
