

More Than Meets the Eye (Acoustic Version)

Kolohe Kai

Prettiness & charm can sometimes be in vain
But a loyal love from you I see pouring out like rain
yeah
Oh girl you got this smile that makes my world go round
And for an awful lonely while I never thought your love
could be found I think it's safe to say
That I know you
I really do
How things turned out this way
I never thought you could be so true
I'm thankful everyday
That I truly know the girl that I adore
[Chorus]
Oh it's the first time
That I liked a girl before I saw good-looks yeah,
Oh how you shook my heart
It's the first time
That I liked a girl who loves to read her books yeah,
My heart you took from the start
Oh when I hear your wisest words it takes my heart
higher than the birds fly
Oh with you girl there's so much more than meets the
eye Some say beauty is only skin deep and its true
But when I look at you I see beauty all the way through
yeah
Girl can't you just see what's happening to me
These butterflies inside are finally breaking free
Your humility, oh how it refreshes my soul
And your loyalty shows your heart glitter like gold
Baby there's no doubt that I really know you inside out [Chorus]
Oh it's the first time
That I liked a girl before I saw good-looks yeah,
Oh how you shook my heart
It's the first time
That I liked a girl who loves to read her books yeah,
My heart you took from the start
Oh when I hear your wisest words it takes my heart
higher than the birds fly
Oh with you girl there's so much more than meets the

eye[Instrumental]Oh it's the first time
That I liked a girl before I saw good-looks yeah,
Oh how you shook my heart
It's the first time
That I liked a girl who loves to read her books yeah,
My heart you took from the start
Oh when I hear your wisest words it takes my heart
higher than the birds fly
Oh with you girl, oh with you girl, oh with you girl
there's so much more than meets the eye
