

# I Envy the Wind

**Lucinda Williams**

I envy the wind that whispers in your ear  
That howls through the winter, that freezes your fingers  
That moves through your hair and cracks your lips  
And chills you to the bone, I envy the wind I envy the rain that falls on your face  
That wets your eyelashes and dampens your skin  
And touches your tongue and soaks through your shirt  
And drips down your back, I envy the rain I envy the sun that brightens your summer  
That warms your body and holds you in her heat  
And makes your days longer and makes you hot  
And makes you sweat, I envy the sun I envy the wind  
I envy the rain  
I envy the sun  
I envy the wind
