

The Weekend

Byron Bank

Intro:(Hey, Ho)

Want you turn it up , yea

Want you turn it up

Now want you turn it up

Turn turn turn it up

Want you turn it up

Now want you turn, turn, turn it up

Verse 1:Wake up, we feeling fresh up in the morning

The weekend's here we about to party that's regardless

From sun up to sun down

The same way we get up, and get up, we get's down

Hear the sounds of the underground, as the 33's a spin around

It's a house party so you knowing that it's going down

Got my freshest gear on, I'm about to make a move

DJ turn that shit up, we about to act a fool

Know the kid don't play, and I been a class act

Shorty got that vibrant thing and it's so abstract

I hit her with that Q-Tip flow

Whispered in her ear, let her know if she needs something I got her

Shorty where your mans at, cause I ain't tryna have that

I'm trying to have a good time, like you and me some we time

It's really nice to meet ya

And in the meantime, let me vibe with ya

Hook:Now where you going, (where you going)

Where you been, (where you been)

Now how you doing, (how you doing)

Now maybe we can be friends

I get your number like to call you sometime, for now let's party like the weekend (party like the weekend)

(2X)Bridge:

(Heyyy) Cause we like to partayyyyy

(Heyyy) Cause we like to partayyyyy

(Heyyy) Cause we like to partayyyyy

Let's party like the weekend, (party like the weekend) (2x)

Verse 2:We taking shot after shots, believe it or not

So many bodies up in here got the temperture hot

Now they calling the cops, because we disturbing the peace

5am we still dancing ain't missing a beat

So go shorty, it's your birthday

You just happy that tomorrow ain't a work day

And you can blame on the alcohol, you having fun

Cause when you think it's over, the party just begun

It's turning out to be a hell of a night

I got my palms to the ceiling cause I'm feeling alright
You now rocking with the best, and you better learn
If the roof on fire than let that motherfucker burn then

Cause who gone put it out

You say you liking my style girl, without a doubt

Am I naughty by nature, you can figure out

Then it's time for me and you to gone work it out

Hook:Now where you going, (where you going)

Where you been, (where you been)

Now how you doing, (how you doing)

Now maybe we can be friends

I get your number like to call you sometime, for now let's party like the weekend (party like the weekend)

(2x)Bridge:(Heyyy) Cause we like to partayyyyy

(Heyyy) Cause we like to partayyyyy

(Heyyy) Cause we like to partayyyyy

Let's party like the weekend, (party like the weekend) (2x)End:

(Heyyy) Cause we like to partayyyyy

Cause we like to partyayyyyy

Cause we like to partayyyyy

Let's party like the weekend, (party like the weekend) (2x)
