My Parade

Wussy

If youve given your heart to yesterday, stay right where you are.
But if your playing a part in the great escape, ill meet you at the car.
You can roll with me tonight in my parade.
Roll with me tonight, my parade.
If youve done it for years but foregotten why and your sleeping wide awake, if youve taken to tears in the best of times, give yourself a break.
Roll with me tonight, my parade, roll with me tonight, my parade.
Roll me tonight, my parade.
Roll me tonight, my parade.
If you've given your heart to yesterday, stay right where you are.
But if you've played a part in the great escape, ill meet you at the car.
