Shine

Sophia Avocado

Sometimes in the world when things go all gray
I remember what my mama used to say
And it makes me feel like it will be alright
And I start to feel the light.

[Chorus]
She says; Shine when youâ€™re happy itâ€™s like getting wings
You can soar on the sunshine that it brings
And so share your happy shine all around
Cause you never know whoâ€™s stuck on the ground

[Bridge]
Maybe youâ€™re grown up or maybe youâ€™re small
You gotta listen in, to that place inside of us, oh
Thatâ€™s where it begins

[Chorus] x2
Shine when youâ€™re happy itâ€™s like getting wings
You can soar on the sunshine that it brings
And so share your happy shine all around
Cause you never know whoâ€™s stuck on the ground
