

Manifestation

Enrique Holmes

As we touch you with our faith
We receive manifestation
As we touch you with our faith
We receive manifestation
What was invisible
Shall be visible
What was impossible
Shall be possible
As we touch you with our faith
We receive manifestation
As we touch you with our faith
We receive manifestation
What was invisible
Shall be visible
What was impossible
Shall be possible
As we touch you with our faith
We receive manifestation
As we touch you with our faith
We receive manifestation
What was invisible
Shall be visible
As we touch you with our faith
We receive manifestation
As we touch you with our faith
We receive manifestation
What was invisible
Shall be visible
As we touch you with our faith
We receive manifestation
As we touch you with our faith
We receive manifestation
We receive manifestation
We receive manifestation
We receive manifestation
We receive manifestation
I don't have to see it
But I know it's coming
I don't have to see it

But I know itâ€™s coming
But I know itâ€™s coming
But I know itâ€™s coming
But I know itâ€™s coming
But I know itâ€™s coming
But I know itâ€™s coming
You're not crazy
You know what you saw
You're not crazy
You know what you heard
But it was invisible
The Bible says ask and you shall receive
Seek, watch this, and you shall find
The spirit of hopelessness has tried to suck the life out of you
Because it's been invisible
But if you seek just a little more
Look again, look again, look again
What was invisible
Shall be visible
What was impossible
Shall be possible
