Well, I saw the preacher but I won't be there on Sunday
Everyone came again, everyone loved her
No one got used to this, these motherfuckers raped me
Everyone came again, everyone fucked youIt's not over but it's over now
It's not over but it's over nowI heard the news today, these stuck-up suckers raped me
Everyone came again, everyone loved her
I won't get used to this, these motherfuckers saved me
Everyone came again, everyone fucked youIt's not over but it's over now
It's not over but it's over now
It's not over but it's over now
It's not over but it's over nowTake time away, go rage my friends
For everyone goes far here today
And I can see the change come here
And I can feel the change come here
And I can see theIt's not over but it's over now
It's not over but it's over now
It's not over but it's over now
It's not over but it's over now
It's not over but it's over now
It's not over but it's over now
It's not over but it's over now
It's not over but it's over now
