My First Mistake

Alecia Nugent

The first mistake I made was falling in love with you
Believin' you had changed was mistake number two
I should have known you'd leave me alone
All of my friends said that I'd be crying and I am
Ooooo, OooooThis heart of mine is all in pieces it's so broken
I swallowed your lies now on those words I'm chokin'
In spite of all the hurt you had to throw in dirt
My first mistake will always be my sweetest memory
Ooooo, Ooooo
The music we made sounded like a magic answer
But now the fiddle plays for a lonely dancer
I don't have regrets the love we made was the best
My first mistake will always be my sweetest memory
Ooooo, Ooooo
Ooooo, Ooooo
