Lonely

Public Announcement

Lonely
Lonely
Lonely
It was a long time ago
When you came into my life
When you stole my heart
Now I'm asking why why?
Why you lied to me? Why you laughed at me?
Now you won't come back to me
Now I want to breath, now I'm tryin' to see why I'm lonely now
Never knew, never knew, I could be, I could be so lonely
Life is blue but it's true that I feel, that I feel so lonely
Can't you see that with you I am so lonely?
Never knew, never knew I could be, I could be so lonely
Maybe you don't know
That I loved you so
But you took my heart
Now I can't let go
Why you lied to me? Why you laughed at me?
Now you won't come back to me
Now I want to breath, now I'm tryin' to see why I'm lonely now
Never knew, never knew, I could be, I could be so lonely
Life is blue but it's true that I feel, that I feel so lonely
Never knew, never knew, I could be, I could be so lonely
Life is blue but it's true that I feel, that I feel so lonely
Can't you see that with you I'm so lonely?
Never knew, never knew, I could be, I could be so lonely
