

# Far Away

## Burning Image

Why do you run so far away?  
Why did you come here?  
Why don't you just run away?  
What do you need here? So I.....  
I'm happy that you're here  
So I.....  
I'm happy that you're here So I.....  
This is all I have  
I feel wanted here  
This is all I have Why did you just go away?  
Didn't you like it here?  
Nothing here, for you to stay  
We all miss you here
