

Why Don't You Find Out for Yourself

Morrissey

The sanest days are mad
Why don't you find out for yourself?
Then you'll see the price
Very closelySome men here
They have a special interest
In your career
They want to help you to grow
And then siphon all your dough
Why don't you find out for yourself?
Then you'll see the glass
Hidden in the grassYou'll never believe me, so
Why don't you find out for yourself?
Sick down to my heart
That's just the way it goesSome men here
They know the full extent of
Your distress
They kneel and pray
And they say
Long may it lastWhy don't you find out for yourself?
Then you'll see the glass
Hidden in the grass
Bad scenes come and go
For which you must allow
Sick down to my heart
That's just the way it goesDon't rake up my mistakes
I know exactly what they are
And what do you do?
Well you just sit there
I've been stabbed in the back
So many many times
I don't have any skin
But that's just the way it goes
