Fool Fool Heart

Don Williams

Fool, fool heart, what have you done
I thought by now you'd had enough but
Oh no, you've got me falling in love again
Fool, fool heart, guess you'll never learn
Taking chances like you do isn't smart
My fool, fool heart
Fool, fool heart how quickly you forget
Just when you were about to mend
You get to feeling lucky so you try it again
You're a fool, fool heart think you're bound to get it right
And that love's just a puzzle with a missing part
But you're a fool, fool heart

Fool heart, God only knows
How you make it through the highs and the lows
Fool heart I wouldn't mind if I thought it would be the last time
Fool, fool heart, you know
We've been through this before
Seems like you said you'd given up
That you were through with being lost in love
My fool, fool heart guess you've got to play love's game
Still the losing is the hardest part, my fool, fool heart
Still the losing is the hardest part, my fool, fool heart
