

Groovin Tonight

St. Lunatics

Tonight's the night, tonight's the night
Girl you lookin so fly, do, do, do, do, do, do, do, do, do, do, do
Said I wanna get it on, mmhmmm
Do, do, do, do, do, do, do, do, do, do
Girl you lookin so fly, do, do, do, dooo
Said I wanna get it on
U-City, uh, uh, Brian McKnight, Lunatics, groovin, groovin, groovin tonight
Ha ha, yeah, what you think about that nigga?
Hah, hah, what you think about that nigga? LadiesNow you could search the whole globe but couldn't replace
me
You skurred (scared) then face me, you don't wanna race me
Fendi fur, Cartier glasses for the blur
I'm a do it for me and let you do it for her
I got a real bad habit when I wanna grab it
So many karats in the ring I'm half man, half rabbit
Bitches be like "ahh man" when they see me with Cardan
Puffin on the green, discussin a war plan
I used to have rock, now it's stocked with a labtop
Fat pot, a six-four with the ass dropped
With a dime daughter, dabbed in Estee Lauder
I want the new Tims so from the crib I made an order
So fuck your bitch nigga, what I wanna take?
Plus she been on my nuts since thumps and pencil breaks
'Cause I'm a nigga with the hoe, a nigga with the flow
Fo' Reel nigga, pissy drunk in the Rov'Girl love, we can get it on
Maybe even party 'til the break of dawn (break of dawn)
'Cause the ladies are groovin tonight (the ladies are groovin tonight)
To the ladies lookin fly (looking fly)
If you wanna ride them hold on tight (hold on tight)
'Cause the fellas are groovin tonight (tonight's the night)"Skuuuuuieeee" baby girl, you hear me callin you?
Now I ain't hawkin you, just wanna walk with you
Talk with you for a second, spit a little somethin in that err (ear)
Whatever it takes to make you come nerr (near)
I'm tryna' sound sincerr (sincere), ay
Baby talkin to me but I'm starin at her rerr (rear)
And I'm like "oh derr (dear)"
I ain't never seen nathen like you before
And you the type to make a nigga wanna open your door
And to the house up on the hill and the jagged shore

As long as you can prove that you wit' a nigga for sure
You know I'm young and a thug, so I got issues
I did them St. Louis blues, I done paid them dues, ay
But nevermind that, how 'bout we hop the next cruise
We can cash it or plastic, you choose
Get pissed out with the Cristal or the Boones
Get ya Xed out, leave ya stretched out in the room, my doom
Girl love, we can get it on
Maybe even party 'til the break of dawn (break of dawn)
'Cause the ladies are groovin tonight (the ladies are groovin tonight)
To the ladies lookin fly (looking fly)
If you wanna ride them hold on tight (hold on tight)
'Cause the fellas are groovin tonight (tonight's the night)
Keep it movin, keep it movin, I keep it groovin, huh
Keep it movin, keep it movin, keep it groovin, huh
I keep it, movin, keep it groovin huh, uh, uh, uh
Yo, baby girl you lookin fly in yo' Donna K
Hopin I could give you some love in the right way
But I don't wanna give you the wrong impression
I keep it mellow, sayin hello
You still thinkin I'm a thug fellow
So I let you know from the get-go you thorough
You a cutie with thighs and you live for the nero
But, me and my team drop, shit overseas
Then bounce wit' the ounce that's thick and Japenese
I'm a goodfella, you know, I'm a made man
Got 'em winin like spoiled babies in play pens
Put that ass up baby and I hit it from here
Now lick your tongue out lady and I put it in here
Let me whip that, lick that, and I don't stop
Then hit the block with my niggas in, my new drop
Convertible, tens and dubs, no matter the weather
One-sixty on the dash, chinky eyes and leather, c'mon
Girl love, we can get it on
Maybe even party 'til the break of dawn (break of dawn)
'Cause the ladies are groovin tonight (the ladies are groovin tonight)
To the ladies lookin fly (looking fly)
If you wanna ride them hold on tight (hold on tight)
'Cause the fellas are groovin tonight (tonight's the night)
Party, party, hey, hey, hey
All day, all day, yeah
Never stop, never stop, don't wanna stop no, no babe
Never stop, don't stop, don't stop
Baby girl
Girl love, we can get it on
Maybe even party 'til the break of dawn (break of dawn)
'Cause the ladies are groovin tonight (the ladies are groovin tonight)
To the ladies lookin fly (looking fly)
If you wanna ride them hold on tight (hold on tight)
'Cause the fellas are groovin tonight (tonight's the night)
Girl love, we can get it on
Maybe even party 'til the break of dawn (break of dawn)

'Cause the ladies are groovin tonight (the ladies are groovin tonight)
To the ladies lookin fly (looking fly)
If you wanna ride them hold on tight (hold on tight)
'Cause the fellas are groovin tonight (tonight's the night) Girl love, we can get it on
Maybe even party 'til the break of dawn (break of dawn)
'Cause the ladies are groovin tonight (the ladies are groovin tonight)
To the ladies lookin fly (looking fly)
If you wanna ride them hold on tight (hold on tight)
'Cause the fellas are groovin tonight (tonight's the night) Girl love, we can get it on
Maybe even party 'til the break of dawn (break of dawn)
'Cause the ladies are groovin tonight (the ladies are groovin tonight)
To the ladies lookin fly (looking fly)
If you wanna ride them hold on tight (hold on tight)
'Cause the fellas are groovin tonight (tonight's the night)
