

Standing At The Edge of the Earth

Blessid Union Of Souls

I knew that this moment would come in time
That I'd have to let go and watch you fly
I know you're coming back so why am I dying inside
Are you searching for words that you can't find
Trying to hide your emotions but eyes don't lie
Guess there's no easy way to say goodbye
So I'll be standing at the edge of the earth
Hoping that someday you'll come back again
I'll be standing at the edge of the earth hoping for someday
Don't misunderstand what I'm trying to say
I don't want to let you leave this way
I want you to know that I stand right by your side
And I know this may be
The very last time that we see each other cry
But whatever happens know that I'll....
I'll be standing at the edge of the earth
Hoping that one day you'll come back again
I'll be standing at the edge of the earth hoping that someday
You'll come back to me
I'll be praying for whatever it's worth
Believing that one day you'll come back to me
I'll be standing at the edge of the earth
Hoping for someday
And I know this may be
The very last time that we see each other cry
But whatever happens know that I'll....
I'll be standing at the edge of the earth
Hoping that one day you'll come back again
I'll be standing at the edge of the earth hoping that someday
You'll come back to me
I'll be praying for whatever it's worth
Believing that one day you'll come back to me
I'll be standing at the edge of the earth
Hoping for someday
Waiting for someday Believing in someday
Praying for someday, I'll be....
Longing for someday Clinging to someday
Cherishing someday, I'll be....
Thinking of someday Dreaming of someday

Wishing for someday, I'll be....
Living for someday Counting on someday
Knowing that one day....
I will see you
