

# Axe Wound

## Butcher Babies

I am not your savior  
Get off your bended knee  
You've fallen out of favor  
Turned your back on what you believe Yeah, you'll fall into a curse I am not your savior  
I'm your Anti-Christ  
Taking from your insides  
To fall into a curse I fell into your life  
Like I fell into your lie  
Yeah, you'll fall into a curse  
Bow like a martyr  
Sick off your own disease  
Ask yourself what's this bed for  
You dug your grave  
It's 6 foot deep You'll suffer with  
All your kind  
This nightmare  
Is now your life  
What's a girl  
To do when  
She's had enough of you  
You'll suffer  
With all your kind I am not your savior  
I'm your Anti-Christ  
Taking from your insides  
To fall into a curse  
Yeah, you'll fall into a curse And now you're gonna run I fell into your life  
Like I fell into your lies  
You're running for your life I fell into your lie Yeah, you'll fall into a curse
