Good Guys Only Win In Movies (Maxi-Version)

C.C. Catch

Computerised half read...
My mother was a teacher...
I-i-i-i-including the captain
May I send, may I send...
My mother was a teacher...
Computerised half read...
Captain, Ch-ch-ch-ch-captain...
I was happy, I was happy, I was happy...
I was happy, may I send...
My mother was a teacher...
I had walked by the wall, so?
Captain, chap, chap...
I was happy, I was happy, I was happy...
Ma-a-a-aay I send...
Kevin, Kevin...
Oh, I need you
My heart cries out, I miss you
How can you mend a broken heart?
More than ever
My heart needs you forever
How can you try a brand new start?
How can you mend my heart, my heart, my heart?Good guys only win in movies
Million miles from nowhere
My heart is crying
Take care, take care
Good guys only win in movies
From a distant fire
I'm burning in desire
Higher
Friends and strangers
Don't you see the danger
Oh baby, look behind closed walls
Oh, I'm falling
Don't you hear my calling
How can you try a brand new start?
How can you mend my heart, my heart, my heart?Come on take my heart again
Come on take my love again Good guys only win in movies
Million miles from nowhere
My heart is crying

Take care, take careThere is no evidence of no function...
May I send...
Ch-ch-ch-captain, ch-ch-ch-ch-captain...
My mother was a teacher...
Computerised half read.
My mother was a teacher...
There is no evidence of no function...
Ch-ch-ch-ch-captain...
May I send...
My mother was a teacher...
My mother was a teacher...
Captain, captain...
Ma-a-a-aay I send...
There is no evidence of no function...
Kevin, Kevin, Kevin
Kevin, Kevin, Kevin
May I send...
Kevin, Kevin, Kevin, Kevin...
May I send...Come on take my heart again
Come on take my love again Good guys only win in movies
Million miles from nowhere
From now-nowhereMy mother was a teacher...
May I send...
