

Forsake All Others

[William Fitzsimmons](#)

I've waited for this day for such a long time
you are everything i've waited for
if memory says i might be disappointed
cause a lifetime here with you will seem to shortall i see is white that's coming towards me
all i've wanted you within my arms
if it's required that i forsake all others
i'll do that and morei've waited for this day for such a long time
i hope that i can be what you deserve
i hope the days get longer
and make this love grow stronger
god will be the strength and our reason
