Dragon Eyes (Lyrics: Lenn; Music: Ross, Lenn, Maresca)

Tellinâ€™ lies all the time
I think youâ€™re insane
Canâ€™t explain it all
For you itâ€™s a game
Like a demon you attack
You move in and bite
Paralyzed dragon eyes
Now Iâ€™m caught in your sights
Like a killer you crept into my bed
With a plan in mind for lust to be fed
It took way too long to see through your disguise
Now Iâ€™ve been blinded by your dragon eyes

In the middle of the night I was doinâ€™ alright
Then your dragon eyes sucked away at the night
Like a killer you crept into my bed
With a plan in mind for lust to be fed
It took way too long to see through your disguise
Now Iâ€™ve been blinded by your dragon eyes

Iâ€™m not afraid
Youâ€™re in my head
Sheâ€™s in my head

In a trance, with a glance, I caught your evil gaze
Now forever Iâ€™m entrapped in your endless maze
Like a killer you crept into my bed
With a plan in mind for lust to be fed
It took way too long to see through your disguise
Now Iâ€™ve been blinded by your dragon eyes
