

# For You

## Angus And Julia Stone

If I talk real slowly  
If I try real hard  
To make my point dear,  
That you have my heart.  
Here I go

I'll tell you,  
What you already know.  
Here I go.  
I'll tell you,  
What you already know.

If you love me, with all of your heart.  
If you love me, I'll make you a star in my universe.  
You'll never have to go to work.  
You'll spend everyday, shining your light my way.

If I talk real slowly  
If I hold your hand  
If you look real closely my love,  
You might understand.  
Here I go

I'll tell you,  
What you already know.  
Here I go.  
I'll tell you,  
What you already know.

If you love me, with all that you are.  
If you love me I'll make you a star in my universe  
You'll never have to go to work.  
You'll spend everyday, shining your light my way.

Here I go

I'll tell you,  
What you already know.  
Here I go.  
I'll tell you,

What you already know.

If you love me, with all of your heart.  
If you love me, I'll make you a star in my universe.  
You'll never have to go to work.  
You'll spend everyday, shining your light my way.
