I've Got A Secret

Kate Nash

I've got a secret, I can't tell you
I've got a secret, I can't tell you
I've got a secret, I can't tell you
I've got a secret, I can't tell you
You would judge
You would judge
You would judge
You would judge
I've got a secret, I can't tell you
I've got a secret, I can't tell you
I've got a secret, I can't tell you
I've got a secret, I can't tell you
You would judge
You would judge
You would judge
You would judge
I've got a secret, I can't tell you
I've got a secret, I can't tell you
I've got a secret, I can't tell you
I've got a secret, I can't tell you
You would judge
You would judge
You would judge
You would judge
Why can't we be friends?
We can't pretend you don't love me
You don't love me
Why can't I kiss her lips?
Why can't I be with him?
Homophobic pricks
