Something Better

Ashley Matte

Haven't Forgotten Who I Was And Where I Grew In Time
The Only Promises I Made Were To Myself
And I Turn My Cheek And Look Away, For It's Painful To See
All The Ones With Too Much Pride Ganging Up And Breaking MeEverything's Changed Now And I Used To Think
That I Would Always Be Protected
How Do We Know When It Is Time To Take A Stand For What Is RightAnd How Do We Mend This Whole World And Turn It Into Something Better
Only Love And Only Time Will Ease My Mind
I'm Looking For Something BetterI Don't Wish Upon Anyone, Hate And Hostility
But These Days Have Turned Me Into Someone Else
And Getting A Taste Of What They Deserve Will One Day Conquer Them
And The Feeling Of Being Alone Will Break The SkinEverything's Changed Now And I Use To Think
That I Would Always Be Protested
How Do We Know When It Is Time, To Take A Stand For What Is RightAnd How Do We Mend This Whole World And Turn It Into Something Better
Only Love And Only Time Will Ease My Mind
I'm Looking For Something BetterYou Made Your Bed So Sleep In It Tonight And For The Rest Of Your Life
Tell Me How Does Is Taste On The Tip Of Your Tongue
Your Own Prescribed MedicationAnd How Do We Mend This Whole World And Turn It Into Something Better
Only Love And Only Time Will Ease My Mind, Oh, My Mind
And How Do We Mend This Whole World And Turn It Into Something Better
Only Love And Only Time Will Ease My Mind, Oh, My Mind
I'm Looking For Something Better
I'm Looking For Something Better
I'm Looking For Something Better
I'm Looking For Something Better....
