

# Love Me Like The Rain

## The Chambers Brothers

Love me like the rain  
Don't shy away when I ask you  
Nature has it's way of showing life so true

Love me like the rain  
Love me soft, love me gentle  
I love you, love you, love you

Look under the lightening  
No wind gust to blow  
No storms are needed, not even snow

Love me like the rain  
It is you who I'm asking  
I'm trying to explain, It's my world  
Please explore it  
I love you, love you, love you

Nobody can lay down, Noooo  
A law of love, oh oh oh  
Nobody can say how it's got to be

Love me like the rain  
Love me like the rain  
Oh, love me like the rain  
rain (repeat 16 times fading out)
