

# The Medicine Wears Off

## Break Of Reality

See what I get  
When the medicine wears off  
    You're moving fast  
Try a little, see if I can make  
    The moment last  
You'll burn the night up like a star  
    You'll break this heart, you know  
When you're coming 'round, you're  
    Taken by wonder of it all  
    Where are you now?  
    Longing for the state of mind  
Oh, I remember why we started blocking all we said

See what I get  
When the medicine wears off  
    See what I get  
When the medicine wears off
