

# Love Gun

## Hayseed Dixie

I really love you baby  
I love what you've got  
Let's get together, we can  
    Get hot  
No more tomorrow, baby  
    Time is today  
Girl, I can make you feel  
    Okay  
No place for hidin' baby  
    No place to run  
You pull the trigger of my  
Love gun, (love gun), love gun  
Love gun, (love gun), love gun

You can't forget me baby  
    Don't try to lie  
You'll never leave me, mama  
    So don't try  
I'll be a gambler, baby  
    Lay down the bet  
We get together, mama  
    You'll sweat

No place for hidin' baby  
    No place to run  
You pull the trigger of my  
Love gun, (love gun), love gun  
Love gun, (love gun), love gun  
    Love gun, love gun

Love gun, (love gun), love gun  
    Love gun, (love gun)  
Love gun, (love gun), love gun  
Love gun, (love gun), love gun  
    Love gun, (love gun)  
    Love gun, (love gun)  
    Love gun, (love gun)  
    Love gun, (love)
