

Meet Me In Vegas

RollerBlue

What do you do when there's no more to say
When there's no way out but to get away
Where do you go to escape from life
Take a chance on luck and a bet on love
Chorus
You could meet me in Vegas, play a few games
Leave our lives behind us, and seek fortune and fame
You could go incognito, come along for the ride
See our souls in the desert, where there's nothing to hide
What would you say to a new frontier
Where time stands still far away from here
The sands they shift but you're holdin' on
To a dream you know it's too far gone
Chorus
Take that bird, fly away
Come on down, the action's here
See the stars, see the lights
Just say yes to me
Chorus
