

Crazy In Love

Kenny Rogers

Ain't it funny how time steals the feeling from a love affair?
And there's no place to lay the blame
'Cause in any case of no one cares
Helplessly we just watch it fade away
Neither will admit it but we are both aching to say We, you
I miss the days when we were crazy in love
When you weren't so sure of me
I had my little jealousy We, you
Bring back the days when we were crazy in love
I wanna feel that way again
Remember when we were crazy in love I know it used to be so easy, one touch and I was high
And I could get intoxicated just by looking in your eyes
Oh, baby ain't there anything we can do?
'Cause I know you're missing me as much as I've been missing you We, you
I miss the days when we were crazy in love
When you weren't so sure of me
I had my little jealousy We, you
Bring back the days when we were crazy in love
I wanna feel that way again
Remember when we were crazy in love Girl, we were more than best of friends
We were crazy in love
We, you
We were crazy in love
Do you remember how crazy we were?
