

# Who's Been Sleeping In My Bed

Barry Manilow

Something's in the air  
I answer the phone and there's nobody there  
And you're changin' the way  
That you're wearin' your hair  
And I wonder, yes I wonder Something's on my mind  
The letters you get, cigarettes that I find  
And you know that I'd have to be deaf  
Dumb and blind  
Not to wonder not to wonder Who's been sleepin' in my bed  
Gettin' what I get  
When I don't get it  
Who's been sleepin' in my bed  
Yeah, that's what I said  
I just don't get it  
Who's been sleepin'  
Who's been sleepin' in my bed Little things I miss  
The ring on your finger, the fire in your kiss  
How the hell could the love  
That we had come to this  
And I wonder, yes I wonder I don't understand  
The paperboy winks at the telephone man  
And the milkman he smiles  
When he's shakin' my hand  
And I wonder, yes I wonder Who's been sleepin' in my bed  
Gettin' what I get  
When I don't get it  
Who's been sleepin' in my bed  
Yeah, that's what I said  
I just don't get it  
Who's been sleepin'  
Who's been sleepin' in my bed Who's been sleepin' in my bed  
Gettin' what I get  
When I don't get it  
Who's been sleepin' in my bed  
Yeah, that's what I said  
I just don't get it  
Who's been sleepin'  
Who's been sleepin' in my bed Who's been sleepin' in my bed  
Who's been sleepin' in my bed

My bed  
Who's is in my bed  
Who's been sleepin' in my bed  
Who's been sleepin' in my bed Who's been, you got to tell me  
You got to, got to, got to, tell me, come on  
Hell I could see it your eyes that you've been seein' other guys  
Tell me who's been sleepin' in my bed  
'Cause when I come back home, I know you haven't been alone  
Tell me who's been sleepin' in my bed  
Ah somethings in the air, you know I fell it everywhere  
Because the little thinks I miss, I miss the fire in your kiss  
Tell me who's been sleepin' in by bed
