Neneh Cherry

You can find some time to be someone
Like a Valentine for a lonely soul
You can treat me like a fool and hateSome love brings me down
Some love turns me round an' round
An' round an' round, an' round an' round
An' round an' round an' roundIs it something that I said, is it something that I did?
Is it something that I, that I got in my head?
Layin' in my bed is so real
'Cause I know what I feelBut together we stand and together we lay
(Hey, listen to the voice of experience)
This is how I live tomorrow and today
(Listen to the voice of experience)
That's how I live
(Stop the beat an' listen to the melody)Round an' round an' round an' round
Huh, yeah, I know when I got the feelingA feeling of love knockin' on my door
First there was fifty and then there was more
What a bore, then there was none
Now there's one 'cause I'm a lucky oneFeelings of love, I've got feelings of affection
Come on an' give it to me, give it with protection
There's no time, we're out of luck, the law says
We can't talk about aRound an' round an' round
Round an' round an' round
Round an' round an' round
Round an' round an' round
Round an' round an' roundBut I need some S E X E D U C A T I O N, yeah
Sex education, for the people y'allParents and teachers, get together, get cool
Children need to learn about sex in school
Children need to learn about sex in school
You think they don't do it? Don't get fooledParents, don't turn your back on the pack
(Sister sister, kissing by the tree)
Teachers wanna teach but the law says 'whack'
(Ripe right for pickin' something sweet)
Don't let your kid get caught without a jimmy hat
(Brother brother, what's it gonna be)
And that's just the start
(K I S S I N G)Take it to the heart of the matter
(Teacher teacher teacher, teach us S E X)
Talk about it, talk about it, just talk
(Teach it to us stupid without the F X)

(Teacher, teach us with your ABCs)
(Rollin' on the alphabet I'm gonna get to Z)Round an' round an' round
Round an' round an' round
Round an' round an' round
Round an' round an' round
Round an' round an' roundA B C D E F G H I J K L M N O P Q R S E X E D U C A T I O NRound an' round an' round

(Dear gangsta, the laws about education
Just blow 'em)
Round an' round an' round
Round an' round an' roundRound an' round an' round
Round an' round an' round
Round an' round an' round
