She wish she was a nigga
She wish she was a nigga
She wish she was a nigga
She wish she was a nigga
She wish she was a niggaBaby look in the mirror
You got your hair and your nails done
You fucking who you want
Not thinking you was wrong
Bitch you wish you was a nigga
Damn you should be ashamed
Acting like those pussy lips can't hang
You been going against the grain
Your body is a temple
You going against the saint
Acting like you was innocent
But as soon as you get mad at your nigga you be with the shits
He just left the house and you calling quick
Who she calling? Some different dick
And you know that ain't lady like
Word around the town
That pussy wack but head game nice
If that pussy ain't tight you ain't living right
I'm tryna give her some advice on life butShe wish she was a nigga
She wish she was a nigga
She wish she was a nigga
She wish she was a nigga
She wish she was a niggaFemales gon' be acting like Bruce but they wanna be Cait
And I heard she fucked Drizzy, didn't even get paid
Damn, lowkey hoeing for a shoutout
She scheming on Wayne before he got out, (Groupie)
You dropped outta school to be a stripper, (Be a stripper)
This lil bitch be acting like a nigga, (What)
Last nigga said he was straight
Said every time he pulled up, she be pouring a eighth
Everytime he wanna chill, you got some friends over
To every nigga wanna fuck, you just bend over
Instagram selling clothes like a swapmeet
Can't go to no local malls you want a hot chic
Downtown going ham with your tax check

You off every single drug, you a crack head
Mama told you to value your coochie
But traded that head for a hooptie, (Bitch)She wish she was a nigga
She wish she was a nigga
She wish she was a nigga
She wish she was a nigga
She wish she was a niggaWhy you always single?
Why you think you so cute?
Why girls be called hoes when they fuck a lot of dude
Well shit, the answer is this
Y'all bleed once a month and all we got is a dick
Yo emoji is the flick, you know you a hoe bitch
Drinking on some Lemonade thinking she Beyonce, damn
Cheating on her fiance, damn
She getting with it off the powder at the Bombay
Always talking she ain't a hoe, she a hoe
Dropping her kids at granny house, she a hoe
On Snapchat, dog face, she a hoe
LA niggas ain't saving no hoes
The homegirl, the local hoodrat know all the niggas
Be bicken' back with the Bloods but she be ckrippin'
Got drunk one night, tryna fight, this bitch be trippin'
If you was a nigga, you'd be a bitch niggaShe wish she was a nigga (Bitch)
