

# One Rainy Wish

[Jimi Hendrix](#)

Golden rose, the color of the dream I had  
Not too long ago  
A misty blue and the lilac too  
A never to grow old. A there you were under the tree of song  
Sleeping so peacefully  
In your hand a flower played  
A waiting there for me. I have never laid eyes on you,  
not before this timeless day.  
But you woke and ya, waah, you smiled my name, ah.  
And you stole my heart away, ah,  
ah stole my heart away little girl, yeah  
All right ! Golden rose, the color of the dream I had  
Not too long ago  
Misty blue and lilac too  
A never to grow old. Golden rose, the color of the dream I had  
Misty blue and lilac too  
Golden rose, the color of the dream I had  
Misty blue and lilac too  
Gold and rose, gold are rose, gold and rose. It's only a dream  
I'd love to tell somebody about this dream  
The sky was filled with a thousand stars  
While the sun kissed the mountains blue  
And eleven moons played across rainbows  
Above me and you.  
Gold and rose the color of the velvet walls surround us.
