

# Lonely Boy

## Sex Pistols

I'm left in misery  
A girl I love's gone across the sea  
I'm all alone, ain't got no home  
Mandy was her name, sleeping was her game  
She didn't care about me, oh God, can't you see? I'm a lonely boy  
I'm a lonely boy  
I'm a lonely boy  
I'm a lonely boy I need her tender touch, oh, I need it, oh so much  
I can't forget, oh, I'm so upset  
I wonder where she's gone, I wonder where she went wrong  
I wanna get her back to me, but I think she's tired of me I'm a lonely boy  
I'm a lonely boy  
I'm a lonely boy  
I'm a lonely boy Everytime I think of her, it brings back memories  
I remember how it used to be, oh baby, can't you see?  
Oh baby, come and come back to me I'm a lonely boy  
I'm a lonely boy  
I'm a lonely boy  
I'm a lonely boy Oh my darlin' can't you see?  
You're the one that means so much to me  
I know, I need your tender touch  
I can't wait to feel your crutch, what a crutch  
I can't wait to fuck it I'm a lonely boy  
I'm a lonely boy  
I'm a lonely boy  
I'm a lonely boy I'm a lonely boy  
I'm a lonely boy  
I'm a lonely boy  
I'm a lonely boy  
I'm a lonely boy
