

Wonder Why (Larring Mix)

Avalon

Why, why do you ever wonder why
some can look so hard and miss the truth? (yeah)
Some will stumble over it a hundred times
and never, ever see the living proof.
Well, there's a kind of love the world can never deny
Let everybody see it in our lives.(chorus:)
The world will wonder why when you and I
will shine His light.
Let hearts discover light when we decide
to let ours go.
We've got to give it up and live the love that opened our eyes.
Live your life.
The world will wonder why. Why, why someone try and tell me why
We would want it any other way.
A heart can change before our very eyes.
Well, I've seen the difference that love can make.
Where is the kind of love the world can never explain
It's time to let the gospel put us straight.(Repeat chorus)'Cause we are livin' with a passion
What would be the reaction?
I know a single heart can change the world.
If we are lovin' with a strong love,
then their eyes will see and the world would believe.The world will wonder why (repeat twice)
Yeah!(Repeat chorus)...live your life so they will wonder why,
and we can tell 'em, tell 'em, tell 'em that Jesus lives!(Repeat chorus)
