

Drifting Away Violently

Vega 4

Marching on ice to a place
That's too far off to see
Peel back the skin to uncover
The things that you feel Send in the military and use all
The force that you need
We made a connection
I dropped the receiver again There's a hole in the sky where
The daylight is bleeding away
I'm stuck in a place
Conversations repeat endlessly Now you ignore me
I'm here by myself
I just wanna be happy
I'm drifting away violently See through the static
The panic, the silence, the lull
My head is an airport for thoughts
On their way to somewhere else Wrapped up in memories of
Trying to forget who we are
We're stuck in the traffic
It's too hot to stay in the car Cracks in the stone on the street
Where I lived show me things
But I'm wasting alone
I'm the only one listening to me Now you ignore me
I'm here by myself
I just wanna be happy
I'm drifting away violently Now you ignore me
I'm here by myself
I just wanna be happy
I'm drifting away violently
Oh no Now you ignore me
I'm here by myself
I just wanna be happy
I'm drifting away violently Now you ignore me
I'm here by myself
I just wanna be happy
I'm drifting away violently
Oh no
