Call Out to Me

Kathy Troccoli

Call out to me
Call out to me(Call out to me)
When times get tough
And you can't get enough of what you need(Call out to me)
When things go wrong
And you need someone
To show you some sympathy(Call out to me)
Just reach out your hand to mine
And I'll be there as soon as I can(Call out to me)
When you don't know which way to turn
Oh, you know just where I amRemember, if you need love
I'll be right there, I'll be right there
Just call out(Call out to me)
When you can't find a friend to depend on
Oh, just call out to me(Call out to me)
When your hand needs a hand to hold on to
Oh, just call out, call out to me(Call out to me)
Just call out to me(Call out to me)
When nights are cold
And loneliness has got the best of you(Call out to me)
When you're feeling down
I'll be around, I'll be right next to youRemember, if you need love
I'll be right there, I'll be right there
Just call out(Call out to me)
When you can't find a friend to depend on
Oh, just call out to me(Call out to me)
When your hand needs a hand to hold on to
Oh, just call out, call out to me(Call out to me)
Just call out, call out to me(Call out to me)
When you can't find a friend to depend on
Oh, just call out to me(Call out to me)
When your hand needs a hand to hold on to
Oh, just call out, call out to me(Call out to me)
Just call out, call out to me(Call out to me)
Call out to meWhen you can't find a friend to depend on
Oh, just call out to me(Call out to me)
When your hand needs a hand to hold on to
Oh, just call out, call out to me
