

# Now Or Never

Kittie

I want to hate this  
I cannot lie  
Candy suicide  
I think that I might die  
ENDLESS TORTURE PLAYED OUT!  
TIME AND TIME AGAIN!  
WIPE THE BLOOD AND TEARS!  
I MUST LET THIS IN! [CHORUS]  
This is the sweetest kiss of death  
It's now or never, do or die  
This is the sweetest kiss of death  
It's now or never, do or die  
The sweetest ending  
Without a name  
Every corner's dark  
And everyday's the same  
CRUCIFY THE WICKED!  
TIME DISTORTED PAST!  
THIS TIME IT'S SHOOT TO KILL!  
Let this be the last... [CHORUS] (The sweetest kiss of death...)  
(It's do or die...)  
(Do or die...) [Instrumental Break] [CHORUS]
