

Now Or Never

Kittie

I want to hate this
I cannot lie
Candy suicide
I think that I might die
ENDLESS TORTURE PLAYED OUT!
TIME AND TIME AGAIN!
WIPE THE BLOOD AND TEARS!
I MUST LET THIS IN! [CHORUS]
This is the sweetest kiss of death
It's now or never, do or die
This is the sweetest kiss of death
It's now or never, do or die
The sweetest ending
Without a name
Every corner's dark
And everyday's the same
CRUCIFY THE WICKED!
TIME DISTORTED PAST!
THIS TIME IT'S SHOOT TO KILL!
Let this be the last... [CHORUS] (The sweetest kiss of death...)
(It's do or die...)
(Do or die...) [Instrumental Break] [CHORUS]
